SUPPLY NOTES: CLASSIC EQUESTRIAN
Passmores is a sectional timber buildings manufacturer established in 1909. Our principal activity is the design, fabrication and delivery of a range of modular sectional timber buildings. Depending upon your location we may also offer erection and tiling services.
Local Authority Approvals: The customer is responsible for obtaining Town Planning and Building Regulations approval. Drawings are available from Passmores
Site Preparation: A detailed foundation drawing is supplied at time of order acknowledgement. We recommend that site work is not commenced until Building Regulations approval has been granted
Delivery Cost: Please see map. The prices shown are for a single delivery vehicle round trip. We may quote higher delivery costs for larger buildings i.e. multiple loads or artic by national haulier
Site Access: Most buildings are delivered on 2 axle rigid vehicles (9.5m long x 2.5m wide x 3.0m high). Larger buildings and those to zones 3 & 4 (see map) may be delivered by 12m artic. Unloading will be to nearest point to metalled road. If Passmores is erecting we will carry components up to 20m from delivery point. If carry is further than 20m we can bring a 4x4 at extra cost to transfer components from delivery vehicle to site but this **must** be arranged in advance. We will only drive off road at customers risk and provided a tractor is available for towing.
Erection Service: Catalogue prices apply to buildings in zones 1 & 2 (see map). Price is based on delivery vehicle access within 20m, foundations as our drawing and availability of 240v 13amp electricity.
VAT: All prices exclude VAT. Buildings supplied for certain non-business charitable uses may be zero rated. All other transactions attract VAT at the standard rate, currently 20%.
